We pray for those people who are hurting and going through some unimaginable circumstances. We pray for those who want their lives to be better and to be free from those things that may be holding them back. We may not know them, but God knows their situation. Amen.

We can never thank our military men and women enough for their service and sacrifice to our country and its people. We express gratefulness and honor to these military troops, past and present. We pray to be shown ways in our communities, churches, and families to thank and love them better.

Keep and protect these heroes and their families. We ask this in the name of Jesus Christ our Lord and Savior. Amen.

The Family of LaVerne Anderson would like to thank all of you for the support you've given through prayers, visits, calls, food and other items during this time. God Bless!
