Worship Team Volunteers

There is a sign-up calendar on one of the bulletin boards in the hallway. If you have a specific day that you are available to help on a worship team, please sign up. Let's get started on **October!!**

Mary Morris is looking for a crop walk representative for Salem Lutheran Church! She left the information with me in the office if anyone is interested. This "Team Captain" would be responsible for recording & collecting pledges from the walkers and turning in the funds/items raised on the day of the walk. This year's event will be on October 6th, starting at the Gazebo by the hospital. Let me know if you'd like any additional information!

Fifteenth Sunday After Pentecost

Sunday September 22nd, 2019

As we are invited today to consider what it means to be managers (rather than owners) of all that we have, it is crucial to recall that we are bought with a price. “Christ Jesus, himself human, . . . gave himself a ransom for all.” Apart from the generosity of God we have nothing—we are nothing. By God’s gracious favor we have everything we need.

We pray for those people who are hurting and going through some unimaginable circumstances. We pray for those who want their lives to be better and to be free from those things that may be holding them back. We may not know them, but God knows their situation. Amen.

We can never thank our military men and women enough for their service and sacrifice to our country and its people. Today we express gratefulness and honor to these military troops, past and present. We pray to be shown ways in our communities, churches, and families to thank and love them better.

Keep and protect these heroes and their families. We ask this in the name of Jesus Christ our Lord and Savior. Amen.

For those of you who may not know, Tim Kinkade suffered a spinal infection which left him unable to walk. I had a very nice visit with him this week, and he is happy to report that 6 months later, he has 10 times the energy that he had before the infection and is not only up and walking, but he goes RUNNING every day! He is currently in assisted living close to Ron & Bonne Johnson, who he visits with daily. He is preparing to move into an apartment and will forward his new address as soon as he is settled in. His phone number and email in the directory are still current. 😊
